## Pastor Nancy's Message

Parting words may mean different things to different people, but as you have made pilgrimages to visit family and friends this summer, you may recall your parting words. I realize that some of you may not have been born in the South, however, you have chosen the Carolinas as your home, so you may recognize some of what I will be sharing.

It seems there can be many layers to a Southern Good-bye (and probably a Northern, and Midwestern, etc). There is the “about to leave” (means the children can keep on playing!), “we need to go” (pick up your things), hugs for everyone (getting closer to the door!), walk to the porch and then the driveway. You might think then the goodbyes are done, but no- when you get in your car, there is the open door or open window for just a bit more conversation. Finally, whoever is driving pulls away with “hope to see you soon” and “love you” called out as you are at last on the way back home.

During August, my messages will be based in Hebrews Chapters 11, 12 and 13 and we will look at Final Words. Remember the original hearers of Hebrews were most likely 2nd Generation Christians. Most scholars will admit they do not know who the author of Hebrews is, and they will say that “only God knows”. We can assume that the author likely knew people who knew Jesus. Hebrews spells out for us Christ's identity as fully God and fully human.

Join us for worship in person at 10am in our beautiful sanctuary or online via our website posted by Sunday afternoon. You will hear some final instructions about things hoped for and not seen, how we can look to our ancestors who have created a path that is personal within the local church here at Landrum UMC and a guide to a life of faith. We may recall that long Southern good-bye and the last words of “I love you” as we hear God calling us and scripture reminding us that “we are to be known by our love”. Just as we want our friends and families to hear “I Love you” as the last words of our good-bye, we strive to live our lives as Christians so that others will remember us by our love above all!

We are living out our love for our community as we do a new thing this month, the “Back to School Bash” will be a fun filled afternoon for area children on Sunday, August 7th, from 3 – 5pm!

I hope to see you in August!

Blessings,

Pastor Nancy

## MUSIC NOTES 🎵

We had a great time going “on the road” to the Farmer’s Market. It was somewhat of a challenge getting us organized and on time, yet we actually arrived as a group EARLY, first thing on a Saturday morning! However, following our performance, we promptly lost “one of us” who decided to wander off and got lost in the melee of people – you’d never believe which one of the group it was!! (I’ll give you a hint – she sits on the front row in the Chancel and she’s very involved with Community Meals! And she shares the same first name as Pastor Nancy!!!) but finally Pete located her and got her back to the church.

We are very appreciative to ALL who attended and supported us. Your support was certainly encouraging to us! Thank you to Paul Forster for taking photographs for us. He’s a great photographer. Mallori Inman did an awesome job designing our special shirts! Special thanks to the guys who loaded and unloaded the keyboard - twice!! And, once again, a very gracious thank you to Lisa Gunter for extending the invitation to us on behalf of the Farmers Market. We hope to have an opportunity to go again!

In the meantime, we are anticipating our next trip “out and about”!

Council heard from Jim Stewart representing a group who would like to use the FLC to play pickle ball Monday, Wednesday, and Friday 8:30 – 9:30am. Trustees had already given them approval. They do not charge for play, therefore there will be no charge for facility use. This is not a private function and would be open to the congregation and public. ## Trudy's Tidings: Smile and say Cheez-us!

Little Bobby's Uncle Fred was a Christian and a very religious man, but he never smiled, was grumpy, and always had something negative to say. He didn't seem to have any joy in his life. While Joey was out in the field, he saw his uncle's mule, which had a long, sad face. "Poor mule," said Joey. "You must be a Christian too."

Do you know people like Joey's uncle? They are negative about everything, always complaining, and not much fun to be with. I know I am to be joyful because of the presence of Christ in my life but I have a few of these traits in myself.

Jesus knew when to be serious, but he also enjoyed life and encouraged his disciples and us to do the same. He loved God and God's creation. Jesus often spoke with humorous exaggeration to make a point (i.e., a humped-back camel trying to squeeze through the eye of a needle). Our Savior enjoyed parties, and, according to the numerous references in the gospels, he had a good time at them. He wants us to live in joyful harmony with God and the world.

Presently, much about our country/world makes us fearful, suspicious, and angry. Terrorism, dissatisfaction with government, the economy, guns/gun control, unemployment, ethics/moral/religious decline, crime/violence, immigration, national security, poverty, and race relations are things we are most concerned with as a nation. These issues weigh heavily on our hearts along with our own personal issues, so it is often difficult to feel joyful. Yet, on the last night of his life, with the cross looming ahead, Jesus left his disciples with these words. He said, "I have said these things to you so that my joy may be in you, and that your joy may be complete" (John 15:11). The next day he was crucified.

I am asking the Lord to help me less resemble a mule. I must keep joy in my heart by thanking Him by choice and not habit, remembering His promises and blessings, and be confident that we are working together on me! I pray that I'll grow spiritually and bring Him praise and glory.

When we have joy in our hearts, it will be obvious to everyone! Our tail may wag and "a joyful heart makes a cheerful face" (Prov. 15:13).

## Silver Spirits

With the rise in coronavirus cases in our area, we have regrettably decided to postpone our next senior's gathering until we feel we can do so safely. As mentioned, many times in the past, the safety of our Spirits is always foremost when making decisions regarding our luncheons. We send our love each of you and will definitely let you know as soon as a date is determined!

Blessings, Cheryl

## Altar Guild

Many thanks to all who have placed beautiful flowers on the altar each week; these have been so enjoyed by those in the congregation as well as the online viewers! With the flower gardens abounding in beauty right now, it is a perfect opportunity to gather and place flowers on the altar. Always remember that Debby and I would be happy to create a bouquet for you at no charge if you provide the flowers, or we can purchase & arrange a bouquet for a fee of \$25. The flower sign-up chart is in the Narthex with some open dates if you are interested.

Thank you, Debby & Cheryl
